There must be 'bout a million

HEAVEN IS ONE STEP AWAY

Medium Slow (with a reggae feel)

Words and Music by ERIC CLAPTON

We searched all there through the night;
And then came the dawn;

I couldn’t find it, you couldn’t find it.
I knew something wasn't right;
I had to carry on;

I couldn't find it,
you couldn't find it. And they

say: Heaven is one step away.

(just one step away) Heaven is one step away...
all your friends, they were laughing at me.

I don’t get it, I don’t understand.

Who is that man holding your hand?
